2019 Bishop's Appeal

This weekend is the kick off for the annual Bishop's Appeal. In today's Gospel, we hear how the crowds rejected the message of Jesus. Just like Jesus, all of us have experienced rejection at one point in our lives. These experiences can easily lead us to feelings of despair or a belief that things will not get better. Yet as missionary disciples, we are called to be people of hope.

The message of hope is desperately needed in our world today. There are so many people struggling and suffering. They are looking for a reason to believe that things will get better. Through your support of the 2019 Bishop's Appeal and the many ministries of our diocese, you help bring hope to many people. You show others that even in the midst of challenges God is there waiting to bring healing.

Please prayerfully consider making your gift to the 2019 Bishop's Appeal. Watch your mail for information on donating to this worthy cause or visit www.catholicfoundation.org/give to make your gift today.

*Before I formed you in the womb
I knew you,
before you were born
I dedicated you,
a prophet to the nations
I appointed you.*
